SUMMARY

Recreation and Parks Commission procedures outline the Commission schedules a field visit to the parks in the City's Recreation and Parks system. The purpose of this tour is to give the Commissioners first hand knowledge of the parks and the improvements planned or needed at each of the parks.

DISCUSSION

At the RPC regular meeting on July 19, 2012, the Parks Tour was scheduled as a special RPC meeting scheduled for August 16, 2012. Last year's Tour include parks in the Embarcadero area and omitted parks in the Northern part of town. Staff has scheduled the Parks omitted last year to this year's Tour.

We will be reviewing the current status of Parks and their respective amenities, as well as future planned developments. Attendees are encouraged to ask questions and make suggestions regarding Park operations and development.
