GENERAL INFORMATION ON THE COMMERCIAL SLIP WAITING LIST AND COMMERCIAL SLIP QUALIFICATION

- It is the vessel owner's responsibility to keep the Harbor Office informed of current address and contact numbers. If no response is received after two attempts to contact waiting listee at the address and/or phone number on record with the Harbor Office, then the waiting listee will be passed over until such time as they recontact the Harbor Department.
- A vessel and the vessel's owner must meet the definition for commercial fishing vessels to be placed on the commercial slip waiting list and must qualify for the year in which they are offered a permanent slip.
- A vessel owner may substitute a different vessel and maintain the same position on the list up to one time in any three year period.
- Anyone on the commercial slip waiting list for more than 5 years will have to re-qualify as a commercial vessel to remain on the list. Failure to re-qualify the vessel will result in removal from the list and a refund of the deposit.
- The Commercial Fishing Slip Deposit is refundable, provided the City receives a written request for the refund along with a valid mailing address.
- Once assigned a City Commercial Fishing Slip, the vessel must provide proof of fishing by submitting fish tickets as listed above each year. Failure to qualify as a commercial vessel will result in termination of the slip agreement.
