

# Marijuana Prop 64 Flow Chart

With the passage of Prop. 64 in the State, it is now legal for persons 21 years of age or older to: (1) smoke or ingest MJ, (2) possess, process, transport, purchase, obtain, or give away to persons 21 years of age or older, w/o any compensation, 28.5 grams of MJ. Prop. 64 prohibits smoking MJ: (1) in any public place, except where City allows, (2) where smoking tobacco is prohibited, (3) w/in 1,000 ft. of a school, and (4) while driving, or riding in the passenger seat of, any car.

Prop. 64 allows individuals to grow up to 6 plants inside a private residence, which the City cannot ban. The City can regulate indoor personal cultivation, which includes implementing certain requirements for: odor control, security, permits, fire dept. inspections and electrical use regulations.

The City can regulate or ban personal outdoor cultivation operations.

(If a City bans personal outdoor cultivation, commercial cultivation, or dispensaries -retail sales, it is ineligible to receive State grant monies funded through the new State excise taxes.)

Pismo Beach banned all commercial marijuana processes.

Grover Beach allows commercial medical marijuana processes (and not recreational) in an overlay zone of 86 acres, with only two dispensaries.

Beginning ~Jan. 1, 2018, there are several categories of State licenses that will be available for the operation of commercial marijuana businesses.

**Cultivation:** The Council may restrict and/or prohibit all types of commercial cultivation operations, and/or restrict commercial cultivation operations to certain zones, limit their number, and impose regulations.

**Testing:** The process where marijuana is tested for contaminants and “conformance to label content of compounds” before retail sales are allowed.

**Manufacturing:** The Council may define the kinds of manufacturing that may occur w/in the City, or completely ban product creation (i.e., cookies, brownies, oils, pills, edible products).

**Deliveries:** City can ban or regulate deliveries into the City from outside of the City, and deliveries from within the city, but cannot prohibit delivery services passing through the City.

**Dispensaries:** Cities may limit the number of retail businesses, designate sales to specific zones or land use designations. City can require retail to keep records, use security cameras, lighting, hours of operations, employee training, alarm systems, guards, and odor control.
