

Entanglement Response 101

Morro Bay Recreation Department- Multipurpose Room

Tuesday, August 18, 2015

4:00 PM – 5:30 PM

Justin Viezbicke, California Stranding Network & Large Whale Entanglement Response Coordinator for NOAA Fisheries, will be presenting on the large whale entanglement response program. You will learn what the response team has seen the last couple of years here in California, how the team removes gear from entangled whales and how ocean users can help with timely reporting, monitoring, and proper documentation.
