Cal Poly City and Regional Planning graduate students, under the direction of Hemalata C. Dandekar Ph.D. and Vicente del Rio, Ph.D., have joined with members of the Morro Bay Planning Commission and staff to develop visioning plans for North Embarcadero/Atascadero Road rezoning and the Community is invited to participate in the seminal event for the future of Morro Bay.

The graduate student teams will present their preliminary findings, ideas and also take public input prior to and at the next Planning Commission meeting on **Tuesday, May 6, 2014, at 5:00 p.m.** in the Veteran's Memorial Building, located at 209 Surf Street in the City of Morro Bay. No action will be taken by the Planning Commission

The presentation will be part of the visioning process for the Council directed rezone of the west Atascadero Road area – Embarcadero to Main Street. Students will present site analysis findings as a basis for a future concept plan for the area bounded by Atascadero Road, the Morro Bay High School, the ocean and Highway One.
